2025 Forbes Top Wealth Advisors Best-in-State The Forbes Top Wealth Advisors Best-in-State 2025 ranking, developed by SHOOK Research, is based on an algorithm of qualitative criteria, mostly gained through telephone and in-person due diligence interviews, and quantitative data. This ranking is based upon the period from 6/30/2023 to 6/30/2024 and was released on 4/8/2025. Those advisors that are considered have a minimum of seven years of experience, and the algorithm weighs factors like revenue trends, assets under management, compliance records, industry experience and those that encompass best practices in their practices and approach to working with clients. Portfolio performance is not a criteria due to varying client objectives and lack of audited data. Out of approximately 48,944 nominations, roughly 9,722 advisors received the award. This ranking is not indicative of an advisor's future performance, is not an endorsement, and may not be representative of individual clients' experience.

Lyons Capital Group did not pay a fee in exchange for this award/rating. Compensation provided for using the rating. Lyons Capital Group is not affiliated with Forbes or Shook Research, LLC. For more information, including the full methodology behind this award click [here](#).
